U	2) Only 9 cases have been established in the Chitaldrug Dt. for each of which the Dy. Com. asks for Rs 36/- per annum for contingencies. The average of the contingent grant taken each for these cases in Tumkur comes to Rs $\frac{63 \times 2}{18}$ or Rs 7/- per annum. The total cost on this account for the 9 cases in the Chitaldrug Dt. comes to Rs 63/-.
	3) The rubber stamps ordered for each of the Cases in Tumkur was of the value of Rs 3/8/- each. If appd., a sum of Rs. Rs 32/- may be allotted for the nine cases for this purpose.

10) It seems unnecessary to sanction any large sum for furniture for these village Courts. The object of establishing such Courts is to have a sort of local panchayat for deciding petty suits. It is not intended to create an artificial atmosphere of a regular court in all such villages when the Courts are established. The Courts can be held in a quiet and simple way in the village Chavadis. The only furniture that is absolutely necessary is a strong box for keeping the records. A rubber seal is also necessary. As regards the contingent, the Courts are not likely to hear more than a dozen cases in a year. From the statistics furnished, most of the villages have not furnished even half a dozen cases in a year. It appears sufficient to allot at present no more than ~~Rs 4~~ Rs 6/- for each Court for the whole year. If from experience

S I R,

Adverting to your letter No.J.503-4/Ct.110-13-14 dated 19th August 1914, calling for a statement showing the contingent articles that may be absolutely necessary for each of the village Courts to be established in this District &c., I have the honor to state that apart from the ordinary contingencies it is reported that furniture and stationery articles are also necessary for the use of those courts.

2. I request, therefore that for each Court a sum of Rs 3 per mensem may be allotted to meet the contingent and other unforeseen expenses while the stationery articles required may be ordered to be supplied from the Stationery Depot as it is not possible to spare anything out of the stock that is supplied to the District Office on account of the increase of work in all the Departments.

3. As regards furniture it may cost about Rs. 700 to provide all the Courts with necessary things. As only a sum of Rs 300 is provided on this account in the Revenue Budget for 1915-16, the remaining amount will have to be met either from the general savings or it will have to be reappropriated from some other head.

4. A statement showing the monthly contingent and annual stationery articles and furniture required for the several Courts

is herewith submitted. As these Courts are to be constituted from 1st July 1915 early orders of Government are solicited.

I have the honor to be,
